Product fiche

1	Supplier's Name	Samsung
2	Model Name	[illegible]
3	Energy Efficiency Class	[illegible]
4	Screen Size	[illegible]
5	On-mode power Consumption (W)	[illegible]
6	Annual Energy Consumption* (kWh)	[illegible]
7	Stand-by mode Power Consumption (W)	[illegible]
8	Off-mode Power Consumption (W)	[illegible]
9	Screen Resolution	[illegible]

* Energy consumption (EU 1060) per year, based on the power consumption of the television operating 4 hours per day for 365 days.
The actual energy consumption will depend on how the television is used.
